

# *Bountyfull House Members Newsletter Fall 2002*

We want to thank you very sincerely for your Bountyfull membership. We would like to bring you up to date with what is going on here recently:

The AGM was held in June. We enjoyed seeing some of our old friends and previous Board Members whom we haven't seen for some time. Last year's Board were thanked for their dedication and efforts. The slate of officers for this year's Board of Directors is as follows:

Chair: Father Terry McNamara  
Vice-Chair: Don Steele  
Secretary: Bill Frost  
Treasurer: Bob Bellows

We welcome our newest Board member, Paul Irving as well as being grateful for our continued Board member, Dr. Alan Macdonald. We thank each of you for offering to serve as our Board.

At Bountyfull we continue to have a steady stream of clients, from all walks of life. We have seen an encouraging influx of younger generation clients, men and women alike, during this past year.

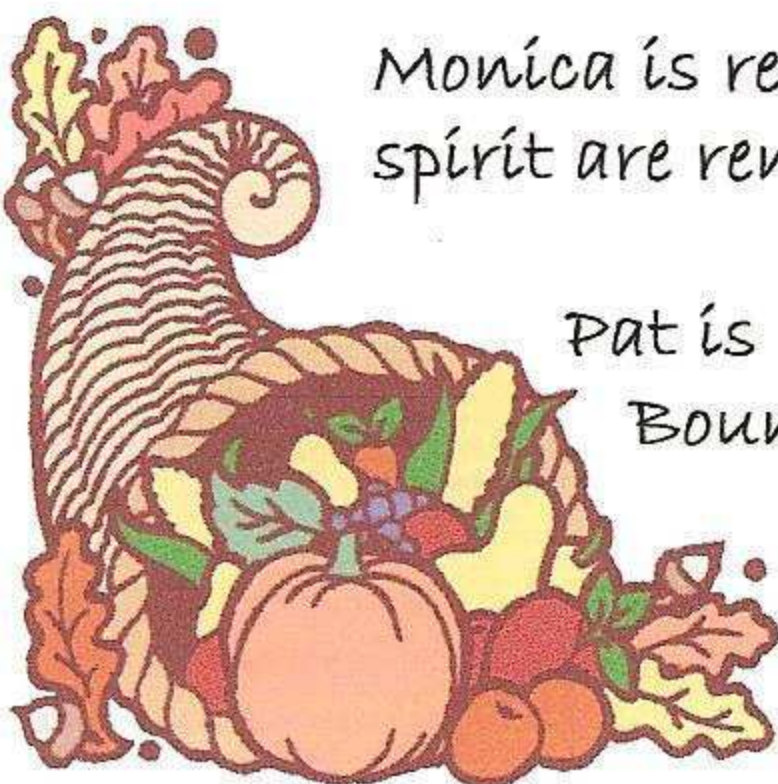

Larry has finished writing the Book! At last! He has sent it off to the publisher/editor and is now eagerly awaiting their reply.

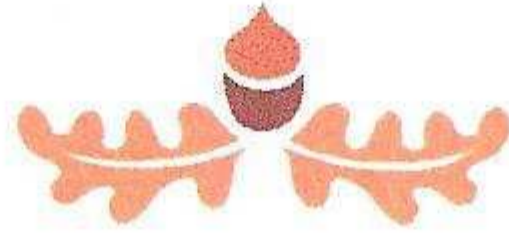

Kathy is rejoicing after months of typing, moving texts and retyping the chapters of Larry's book. She has become very competent with the computer during this whole process and is now taking some time off.

Monica is recuperating well after her surgery and her energy and spirit are renewed. Your prayers have been greatly appreciated.

Pat is very busy doing fifth step work while expertly handling Bountyfull finances.

The two classrooms designated for Bountyfull's use, which are located in the Sacred Heart School just down the street, are now completely renovated. Darrell Craig, our most recent staff member at Bountyfull, has been working hard with Sacred Heart Parish staff, scraping, sanding and painting the rooms. With the recent donation from the North Shore Kiwanis, we were able to purchase and install carpet for the two classrooms. The space will allow for larger groups to meet, as well as for workshops and teaching.

The Bountyfull website, established with our thanks to the expertise and generosity of Emmet and Rita Hickey, has undergone some upgrading. We are also very appreciative of Simon de Weerd's time and expertise in the updating. You can visit the site at : [www.bountyfullhouse.org](http://www.bountyfullhouse.org)

We are approaching the October feast of Thanksgiving. This is a great opportunity for us to give thanks to each of you for your continued support of our ministry at Bountyfull. We are very grateful.

May you be blessed with the gift of peace.

The Staff at Bountyfull House.
